

## Parent Reps

Parents play a vital role in our school. Community, communication, building connections and creating friendships is very much part of a thriving school. As part of building this community, we invite parents to volunteer to take on a role as a Parent Representative for your year level.

Ideally, each class in our Junior School and Early Learning Centre should have one or two Class Reps. In Middle School and Senior College, we should have at least one per year level and we are also seeking an International Families Coordinator.

Responsibilities for the roles are not onerous; in fact you should have a lot of fun getting to know all the other families at our school!

Attached is a description of the role but typically Class Reps at Tintern Grammar would organise a beginning of the year welcome morning tea or provide social opportunities for families to connect. This may be through dinners, picnics, theatre evenings etc.

We are looking to appoint Parent Representatives before the end of this school year so you can start your planning for 2018.

If you are interested in becoming one of our valued Parent Representatives please email by Monday 20 November your interest and year level to our contacts below:
