## TINTERN SCHOOL SONG

Come Tinternites all, young and old, near and far.  
Lend your voices and swell our School Song.  
Our School with its burdens well borne in the past,  
Its foundations laid steady and strong.  
'Tis by deeds, not by words, that we stand or we fall;  
So we'll work with a will. Yes we'll work one and all,  
For the welfare and honour of Tintern.

Of our homeland we'll sing, young Australians are we,  
And in love of our country we're one.  
In our minds be the breadth of her wide rolling plains,  
In our hearts the glad warmth of her sun.  
'Tis by deeds, not by words, that we stand or we fall,  
So whenever she needs us we'll answer her call.  
And we'll work for our own land, Australia.

To be true to our God, to our Country, our School  
And repay the great debt that we owe,  
Let our joy be in service with no thought of self,  
So that all those who meet us may know  
'Tis by deeds not by words that we offer our praise  
To the School, and to those who, in earlier days,  
Helped to build the traditions of Tintern.

## SOUTHWOOD BOYS SONG BY PAUL JARMAN

Standing tall, many voices one,  
We are here for the journey on  
Pioneers of a brave new plan  
Hope in mind, we are growing strong

Deeds above words, we've begun  
Rock and water, father, son.  
We are part of a faithful team.  
All are equal in the Southwood dream.

We are Southwood boys.  
Hold the compass in our hand.  
Stand up Southwood boys.  
The future of this land.

---

Ninety nine, our school is born.  
Its founders see a vision bloom.  
With Tintern standing by,  
The best of both worlds let our spirit fly.

Reaching goals with an open heart.  
Take control of your destiny.  
Learn for life in a changing world  
Be the best you can hope to be.

We are Southwood boys.  
Hold the compass in our hand.  
Stand up Southwood boys.  
The future of this land.

We are never alone, with our teachers to guide us.  
Whatever it takes they are on our side.  
We are the voice of our community  
Whatever we do, we are touching lives.

Commitment, fulfilment, compassion and respect.  
Confidence, responsibility, independence, integrity  
Commitment, fulfilment, compassion and respect.  
Confidence, responsibility, independence, integrity

Moving on with the course of time.  
Skills you gave us, stretch far and wide.  
We remember our Southwood days.  
The best years of our life.

We are Southwood boys.  
Hold the compass in our hand.  
Stand up Southwood boys.  
The future of this land.

We are Southwood boys.  
Hold the compass in our hand.  
Stand up Southwood Boys.  
The future, the future of this land.

He is a good listener who shows tolerance and recognises cultural and social differences. He sees risk taking within acceptable and safe boundaries as important and has the physical and emotional strength that allows him to accept setbacks and to rise again to the challenge. The Southwood boy enjoys life and is committed to all that he undertakes. Decision-making is based upon sound reasoning: he is both a questioning and thinking person who works inclusively with others and enjoys the challenge of leadership. He recognises his rights and responsibilities and communicates in an open yet respectful manner. The Southwood boy recognises the importance of learning and sees this as a life-long process.
