**RINGWOOD EAST VIC 3135**

Dear Sir/Madam

### Byways Drive, Ringwood East – Parking Restrictions

It has come to Council’s attention that the operation of Byways Drive near Alexandra Road could be improved during the school peaks.

To improve the operation of the road, it is proposed to prohibit parking on the southern side of Byways Drive between Alexandra Road and Cleland Street in line with existing No Stopping restrictions to the east. It envisaged this would improve traffic flow in the surrounding road network and reduce congestion at the Alexandra Road and Byways Drive intersection. Furthermore, it is also proposed to provide a series of drop-off bays on the northern side of Byways Drive. This will provide parents/guardians with a more appropriate location to drop-off children as opposed to parking in prohibited areas or within private driveways. A concept plan of the proposed works is shown below for your information.
